## Sigma finalises MPS acquisition

Sigma Healthcare Limited (Sigma) is pleased to confirm that the formal process to acquire the Medication Packaging Systems (MPS) business, as announced on 7 September 2017, has now been completed.

MPS was founded in Brisbane in 1997 and with almost 20% market share, is Australia's largest provider of dose administration services to the residential aged care sector, and also to community pharmacy across Australia. MPS operates three TGA-approved facilities.
